WHAT PEOPLE SAY

Is Not What Makes a Remedy Val

nable. Testimonials are good things and we are always glad to get them, but they don't make our remedy any better.
Stuart's Dyspensia Tablets are good because they do good-because they cure. Testimonials simply prove that the tab-lets have helped other people, but it's your-self you are more interested in, and wheth-er they will cure you is the question. It is very easy to find out-try them. A

It is very easy to find out-iry them. A full package costs but fifty cents at your druggist's. They are worth that if they only help you a little bit. The chance is worth taking at the price.

We put it on that basis because you don't know about the tablets. If you knew as

much about them as we do you would have complete confidence; this advertising would be unnecessary. We have seen them cure the worst cases of stomach trouble. Cases of long standing and obstinacy, cases that other medicines and even high priced doctors had failed to subdue.

Here are some testimonials. If you care

to read them we have thousands of them: Rev. J. R. Hog, Wymore, Neb., writes:
For six years I have been troubled with
dyspepsia. Last fail I became very much
alarmed at some symptoms of heart
trouble and came to believe there was a sympathetic relation between the two diseases, or rather that the stomach trouble was the cause of the heart disturbance. I hit upon Stuart's Dyspepsia Tablets for a remedy and invested a dollar and a half for three boxes, which lasted me three months, and I can eat any kind of food I want and have a good vigorous appetite. Although I am seventy-seven years old, I row feel perfectly well and without being requested by anyone I make this statement as a compliment to the virtues of Stuart's Dyspensia Tablets.

Mrs. Lydla Bartram, of Assyria, Mich.,

Mrs. Lydia Bartram, of Assyria, Mich., writes: I have suffered from stomach trouble for ten years and five different doctors gave me only temporay relief. A Mr. E. R. Page advised me to try Stuart's Dysp psia Tablets and four boxes did me more permanent benefit than all the doctors' medicines that I have ever taken

We honestly believe that Stuart's Dyspensia Tablets are the best medicine ever made for the cure of stomach troubles.

Don't mistake our meaning. We don't claim them to cure anything but dyspensia and stomach disorders. Just the one thing is what they are made for, but that one thing is the cause—the starting point of nearly all the sickness in the world.

Use Stuart's Tablets regularly. Keep your stomach right, and you can never be

THE FARMERS' FAIR.

rom their teachers.

Preparations for the Opening Next Week About Completed. The Farmers' Fair will open at the Fair Grounds next Monday, and will be in operation all week, with the first day free to all school children with certificates

from their teachers.

The Farmers' Fair Association has made great progress at the Exposition Grounds, and by this afternoon the grandstand on the race-track will have been completed. The fences around the grounds and the track are nearing completion and a number of entries have been made. Horses for the races have been entered by the Hurcamps, of Fredericksburg; Geo

Gaines and W. C. Saunders, of Richmond, Major Emory, of Weldon; S. R. At-well, of Woodstock, and others. Forty-nine entries have been made for the tournament. Mr. George B. Russell, of Drake's Branch, yesterday wrote that he had accepted a marshalship in the tour-

nament, as has, also, Mr. John Bliley, of

for some time. The Fair will be a good one, the managers say, but it will not be as large as former State Fairs. Their idea is to get into operation the old fairs that were so successful years ago and this is but a There will be a number of free enter-

tainments each day, including a great fire slide for life, in which a man soaked with oil and burning slides down a wire into a tank of water. Fouchere, the famous trick bicyclist, will give exhibitions on the track between the various races. The coronation ball will be a featur that will interest the Richmond people.

HEARD ON CAPITOL HILL. Officers Pay Respect to the Memory of

Mr. Ryland.

Governor Tyler, and in fact nearly all the State officials, went out to Barton Heights at 10 clock yesterday to accompany the remains of Mr. Josiah Ryland

o attend the funeral. Governor Tyler will probably announce the name of Mr. Ryland's successor to-day, owing to the urgent necessity for having a Second Auditor to look after the daily business of the office.

FIREMEN'S CONVENTION. National Association May Meet Here in 1902,

Captain John H. Redwood, Chief Puller

and Commissioner G. Watt Taylor, who went to Charleston last week to attend the convention of the National Fireman's Association, have returned, and report that they had a most delightful and profitable time. The city of Charleston opened its arms to the visitors, of whom there were about 500, and royally entertained them.

Mr. G. Watt Taylor was looked upon as a leader, and was called upon on various occasions to address the crowd. He felt highly honored at the attention bestowed upon him, as did also both Chief Puller and Captain Redwood. A telegram sent from Richmond by the Chamber of Commerce anviting the Asso-

ciation to meet here next year, was not received until the next meeting-place had been decided upon, but Richmond stands a good chance of getting the convertor for 1902. Indianapolis was chosen for next year.

The delegates to the convention represented some of the most substantial people of the country. Mr. Taylor received

a most flattering vote for President of the Association, but Chief Humphries, of Penn-sylvania, was elected. Captain Redwood nominated Mr. Taylor.
